*“Here Comes a Man of Comfort, Whose Advice  
Has Often Still’d My Brawling Discontent.”*

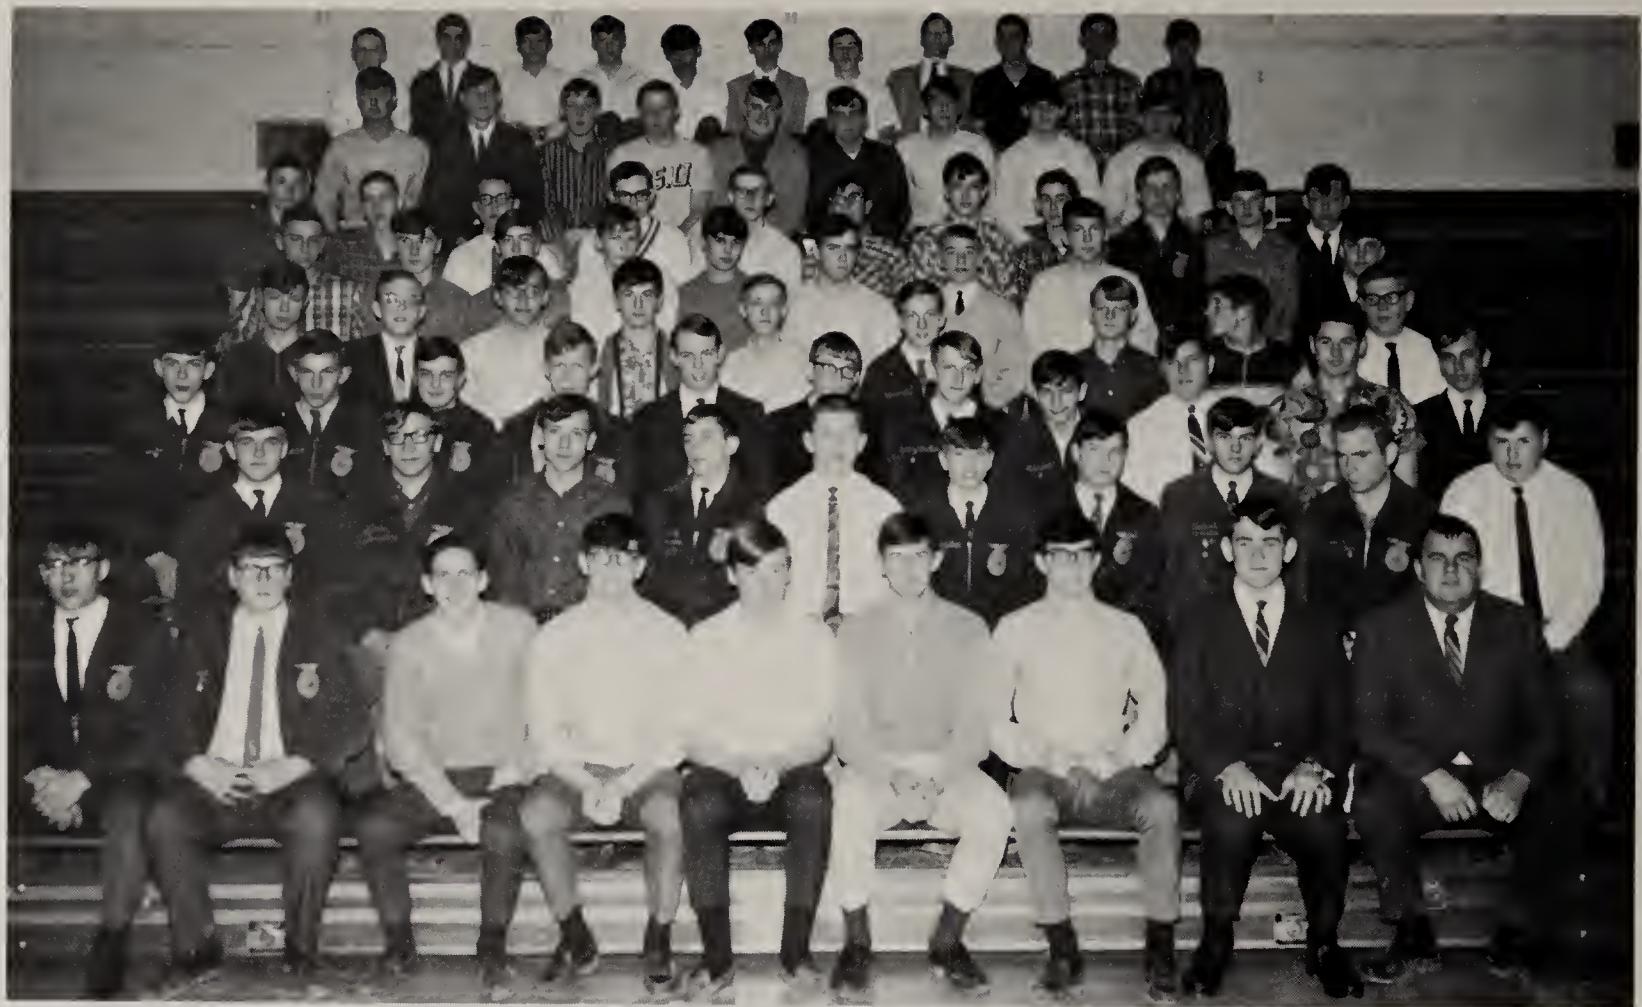

We, the Class of 1968, would like to express our appreciation and gratitude to our Counselor, Mr. Hager, for his dedication and devotion to our class during the past years. He has guided us with an unyielding spirit and has never let us down when things got rough. He has been a warm-hearted friend, always giving us the best consolation. After graduation we know that we will retain the little deeds of kindness which he has bestowed upon us. It is with great pride and thankfulness that we express our gratitude.

THANK YOU.

# Win, We Will WIN

Although losing their first three games, the Standish-Sterling Panthers bounced back into the heated NBC basketball race winning some close ones. Thrills and chills and even some tears were dealt to the Panther team. Even through the screaming of the fans and their defeats, they managed to keep their cool. At the districts when we played in the overtime with Oscoda and the heartbreaker with Tawas, never once did they say die. As Coach Carson says, "Hey team, yea team, we're proud of you!"

The year of 1968 did not bring a great baseball season to our never-give-up boys or to their coach, Mr. Colberg. In fact, it was a rather disappointing season. The boys won one game with West Branch and a tournament game with Bangor-John Glenn. Disappointing yes, but wait 'til next year!

The home baseball games which are held at the Sterling field do not draw great crowds, but the kids who do go have a Blast.

## *They Whistle While They Work!*

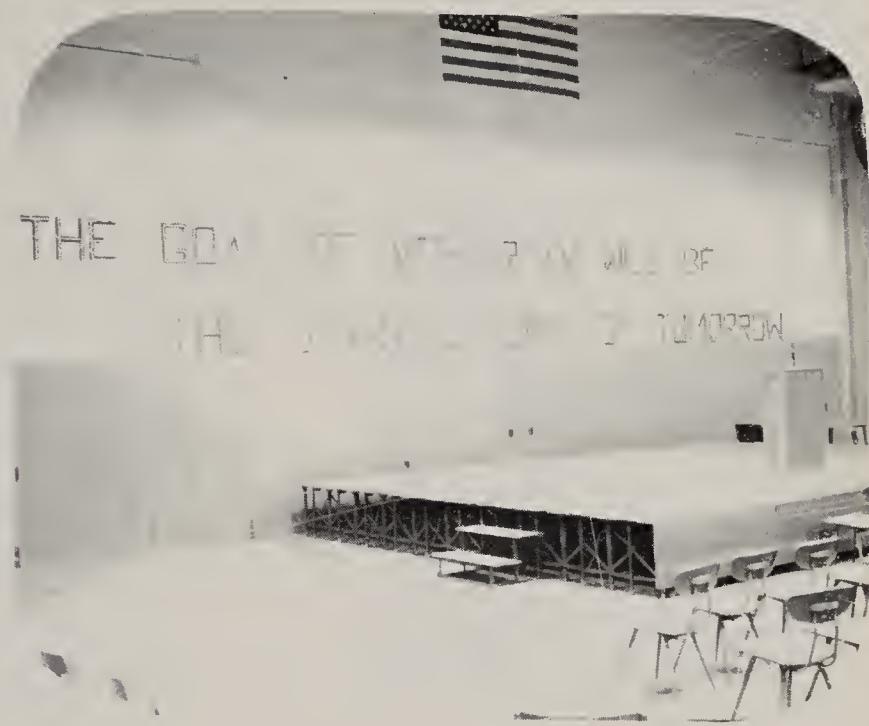

Indeed the janitors must whistle while they work, as they clean up after over 700 students. They are from left to right, Mr. Tony Tomaszewski, Mr. Armon La-Clair, Mrs. Clara Bandgerow, Mr. Ray LaClair, and Mr. Joe Budz. In a recent survey, it was found that one janitor sweeps the dirt of over a million feet; students feet, that is.

The school buses do not provide transportation to school alone. They are also used for athletic events, and for the student group activities. We would like to take this opportunity to say thank you from all the students. "Thank You".

Relaxing from their cooking duties are from left to right: Mrs. Mary Bukowski, Mrs. Mary Charchan, Mrs. Sophie Borusko, and Mrs. Jesse Monroe. It was discovered that in one year the cooks use 6,480 pounds of hamburger.

Chris Mixter, the girl who can be relied on the most is shown on the left. Her companion Ron Mutch is pictured below.

Best Dressed?? Well, I'll never tell! Here are Ron Mutch and Robin Buttrick voted the two best dressed seniors in the class.

"We don't know!" says Class Giggler, Pauline Mosciski; Mr. Congenial, Bill Donnelly; and Miss Congenial, Terri Dunec.

Draw your own conclusion of the couple on the left. But they were really elected Miss and Mr. Carefree. They are Louis Stanley and Judy Fiddler. On the right Miss and Mr. Blast--alias Kathy Kohn & Dale Southworth.

## *The Last of Many Good*

We thought the bus would never get there.

For the privilege of sitting on Sue's lap, Louis offers her a lollipop. Doesn't Judy get one too?

Jim, you can't be tired already. We've just begun to tour.

Miss Dale Southworth in her stunning white hat and sunglasses.

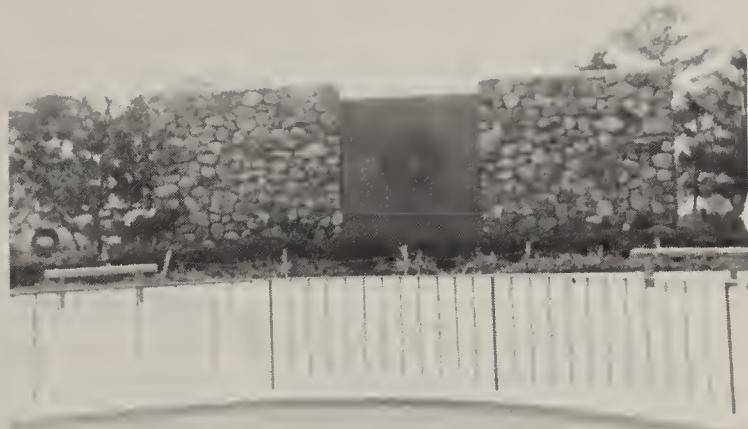

Some of the gang finally got to rest at the Boston Commons.

It's not a monster, it's just Terri. Norman has given her a new hair style.

# Times Together

It was a week filled with places to go. There was Boston, Salem, Cape Cod, and Cambridge all to be toured and discovered by us eager seniors. Then there was Niagara Falls where we had dinner at the Towers Restaurant. Yes, it was a week of excitement, fun, and exhaustion; but mostly a week which has given us many memories never to be forgotten.

On the way to Cape Cod one of the places we stopped was the Kennedy Memorial.

Franklin's grave was one of the sights we saw on Freedom's Trail.

One of the highlights on our tour of Cape Cod was this statue representing Peace, Liberty, Education and Morality.

At Marble Head the boys all became daring mountain climbers. In fact, some of the girls did, too.

Come on Ed! Wake up! It's time for breakfast.

## *At Last We Are Rewarded*

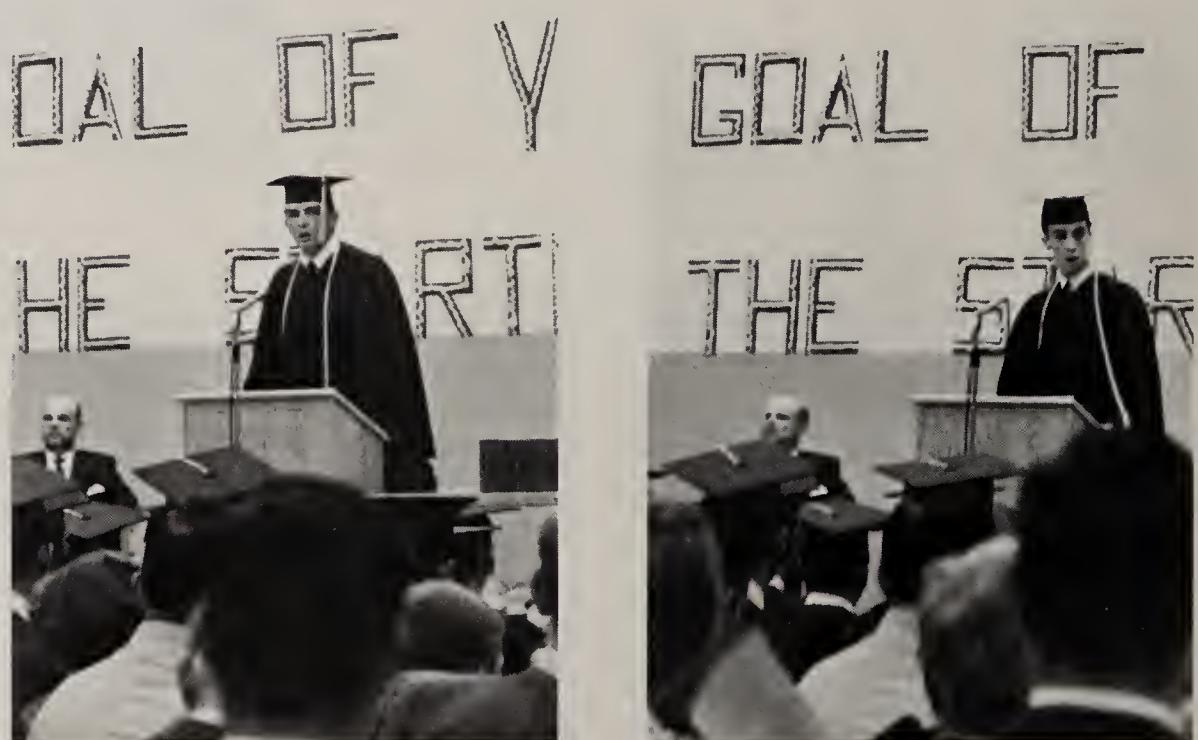

The solemnness of the occasion is reflected in the face of Norman Kocot as he marches in.

Gold honor cords and tossels were presented to the honor students, Ron Mutch, Richard Perlberg, Wendy Pataky, and Cheryl Fisk, by the Kiwanis Club.

The Valedictorian, Ron Mutch, gave an excellent speech. His main point was that because we are graduating and just beginning our lives, we are the ones who have the opportunity to make 'The Goal of Yesterday The Starting Point of Tomorrow'.

Richard Perlberg's Salutatory address was equally as good. As he said, "We may be small in quantity, but we are large in quality."

# For Our Efforts

The message was delivered by Dr. James Costar. He talked to the seniors on finding happiness in life.

Mrs. Netslaff waits as her students receive diplomas.

It is a little sad to leave high school, for memories of friends and good times linger. Graduation, however, is made up more of excitement than of sadness. We are now on the verge of our lives, and we look to the future with hope. This feeling is described in this passage of the poem COMMENCEMENT by Norman Vincent Peale, which was used in the Valedictory address; "How appropriate to call graduation a commencement. For it is not an ending, but a beginning."

There were eighteen seniors who achieved an average of over 8.0. This is quite an accomplishment for a class of only 87, and these seniors must have been very proud to have been called to the front of the gym. They are from left to right; S. Kowalczyk\*\*, P. Cardinal\*\*, C. Fisk\*, C. Mezey\*, Sue Pula\*, C. Fisk\*\*, W. Pataky\*\*\*, R. Perlberg\*\*\*, R. Mutch\*\*\*, J. Allen\*, D. Southworth\*, J. Gale\*, D. Brueckner\*, B. Donnelly\*, R. Groszek\*, R. Schwab\*\*, W. Stanley\*\*, and S. Bishop\*\*. \*High Scholastic Achievement (8.0); \*\*Very High Achievement (9.0); \*\*\*Highest Achievement, Honor Students (9.5).
